Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner indicated to the Applicants' representative (Gene Rzucidlo) problems with claim 15, specifically with respect to claim 15 encompassing cancer preventing and hepatitis preventing agents. The Examiner proposed an amendment that would over come all rejections and make claim 15 allowable. Applicants' representative agreed to the amendment and approved the instant Examiner's amendment which replaced claim 15 and cancelled the withdrawn claims..
